

KENYA ELECTRICITY TRANSMISSION COMPANY LIMITED

GENERAL PROCUREMENT NOTICE

THE REPUBLIC OF KENYA
CONSTRUCTION OF KIMUKA 400/220kV, GILGIL 400/220kV & LESSOS 400/220kV SUBSTATIONS
ENERGY SECTOR

Loan No. IDA51480
Project ID No. P126579

1. The Government of Kenya has applied to the World Bank for financing of Gilgil, Lessos and Kimuka (Ngong) 400/220kV substations from the savings on the Eastern Electricity Highway project. The financing will facilitate payment for construction works, goods, consulting and related services procured under these projects. The three substations shall have three separate contracts under one supervision consultancy.

2. The project will include the following components:

A. Consultancy Services:

Review and update of the design and EPC contract bid documents; assistance to the Client at the bidding stage, review and approval of contractors' design documents, construction supervision and overall project management.

B. Engineering, Procurement and Construction of 400/220kV Substations:

Design, procurement, installation on site, testing and commissioning of Gilgil 400/220kV, Lessos 400/220kV and Kimuka 400/220kV substations. Each substation project will be implemented under a separate lot and contract.

Lo1 1: Gilgil 400kV switchyard shall be established as circuit breaker and a half configuration with four diameters and two 400/220/11kV, 350MVA autotransformers. The 220kV switchyard shall be configured as circuit breaker and a half with two diameters.

Lot 2: Lessos 400kV switchyard shall be established as circuit breaker and a half configuration with four diameters and two 400/220/11kV, 200MVA autotransformers. The 220kV switchyard shall involve extension of existing substation by two diameters.

Lot 3: Kimuka 400kV switchyard shall be established as circuit breaker and a half configuration with two diameters and two 400/220/11kV, 200MVA power transformers. The 220kV switchyard shall be extended to accommodate the incoming transformer bays.

3. Procurement of contracts financed by the World Bank will be conducted through the procedures as specified in the World Bank's [Guidelines: Procurement under IBRD Loans and IDA Credits](#) (current edition), and is open to all eligible bidders as defined in the guidelines. Consulting services will be selected in accordance with the World Bank's [Guidelines: Selection and Employment of Consultants by World Bank Borrowers](#) (current edition).
4. Specific procurement notices for contracts to be bid under the World Bank's international competitive bidding (ICB) procedures and for contracts for consultancy services will be announced, as they become available, in [UN Development Business](#) and [dqMarket](#) and in local newspapers
