RE: TENDER ADDENDUM AND CLARIFICATION

RE: TENDER FOR PROCUREMENT OF STEEL BRACINGS KETRACO/PT/001/2020

The following amendments are made to the specified provisions of tender for Procurement of Steel Bracings for Repair of Vandalized Tower Members On 220/400 Kv Mombasa-Nairobi,132kv Thika-Githambo and Thika Nyaga Transmission Lines - KETRACO/PT/001/2020. Find herein the Tender Addendum and Clarification No. 2 consisting of one page. This document should be attached to the completed Form of Tender.

	Clarification	Ketraco Response
1	Tender closing date	Bidders to note that the closing date is 30 th April,2020 at 10.00 am
2	Clarification on 100008-LO-DG-ST70 to 92 . Are there more Shop Drawings not issued because all the other Bracing Identification Marks cannot be seen in the Drawings to derive the type of Angle and geometric Characteristics	Refer to the relevant drawings provided as well as section 5.1 of the Technical specifications; item 5.1 "However, in cases where such drawings are not available or the available drawings do not contain all the necessary information to enable fabrication /manufacturing, the tenderer shall make his own arrangements to obtain such information/measurements from sample installed towers on KETRACO transmission lines spread in different parts of the country. All costs related to this shall be borne by the tenderer."
3	Clarification whether on the schedule Table there are Bracing Identification Marks with numbers of 400, 500, 600 and 700 series which are not in the Drawings.	Bracings with Identification Marks numbers 400, 500, 600 and 700 don't exist in the bracing schedules issued.
