RE: KETRACO/PT/006/2019 Clarification 1

PREQUALIFICATION FOR EPC FOR NATIONAL SYSTEM CONTROL CENTRE

The following clarifications are made to the prequalification document by the terms of this Clarification or previous clarifications, the Principal Prequalification Document shall continue to be in full force and effect.

The following amendments are made to the specified provisions of the prequalification for EPC for National System Control Centre document. Save where expressly amended by the terms of this Clarification or previous clarifications, the Principal Tender Document shall continue to be in full force and effect.

Find herein the Tender Addendum and Clarification No. 1, consisting of two (2) pages (including this page) into the copy of the Tender Documents. These documents should be returned along with the completed Form of Tender.

	Clause	Specification Requirement	Clarification request	KETRACO Response
1		Prequalification Submission date	Is the submission date 7 th or 11 th June, 2019? In order to provide a high quality proposal, we request an extension of 8 weeks from the current submission date 11th June 2019, to submit the prequalification documents. This additional time will enable us to collaborate with a suitable EPC for other scopes and propose a solution with the utmost consideration of all requirements and needs of KETRACO.	The Prequalification submission date shall remain 11th June, 2019 at 10.00am East African Time
2		Feasibility Report	We wish to REQUEST your kind office to furnish us with the Feasibility study for this project	Feasibility report is an internal document and all requirements for the Prequalification are contained in the Prequalification Document.
