**RE: KETRACO/PT/006/2019 Clarification 3**

**PREQUALIFICATION FOR NATIONAL SYSTEM CONTROL CENTRE**

The following clarifications are made to the prequalification document by the terms of this Clarification or previous clarifications, the Principal Prequalification Document shall continue to be in full force and effect.

Find herein the Clarification No. 3, consisting of three (3) pages (including this page) into the copy of the prequalification Documents. These documents should be returned along with the completed prequalification documents.

<b>RFP Reference</b>	<b>Clause/ Text of the RFP</b>	<b>QUERY</b>	<b>KETRACO RESPONSE</b>
Section I. Instructions to Applicants	ITA 4.0 Eligible Applicants	We are interested to participate in the prequalification (together with our Technology Partner) and wanted to find out if it is possible to pre-qualify for only a portion of the complete scope i.e. the RTU's for instance? We will not be in a position to offer a full bid and needed to know whether we can offer only certain packages of the full bid?	Applicants <b>must meet</b> all the Qualification Criteria as per Section III of the Prequalification Document.
Section III. Evaluation and Qualification Criteria	Qualification Criteria 3	As per clause 3.2 Minimum Annual Construction turnover for the last 5 years each partner must meet 25% of stated value, whereas for determination of financial soundness as per 3.1 average required is 3 years. We would like you to consider the following: Minimum Annual Construction Turnover criteria to be 3 years from 5 years in line with other criteria set in PQ, and or Average annual turnover for each partner requirement be reduced to 15% from 25%.	This criteria requirement remains unchanged.

Section I. Instructions to Applicants	17 Deadline for Submission of applications	Can we send the application through email,	No. As per Data Sheet ITA 17.1
		We would like to check whether any possibility is there to extend the submission date	As per Clarification 2, the submission date remains <b>2<sup>nd</sup> July, 2019</b>
Section I. Instructions to Applicants	Item 4.1 joint venture (JV)	Please confirm that; according to procurement guidelines / rules applicable to the Contract; "JV" may mean an association of several firms being jointly and severally liable for the execution of the Contract in accordance with the Contract terms, having an authorized representative who shall have the authority to conduct all business for and on behalf of any and all the members of the JV; without having to create a new common legal entity.	The JV requirement under item 4.1 includes consortium option. For clarity, where a JV is referenced in the document, it is to be understood to include consortium option.
		"Refer to the answers on pages 4 (the last item) and 5 (the first item) of ""KETRACO/PT/006/2019 Clarification 2 dated 31st May, 2019"", we hereby kindly request the clarifications to the following questions:  A) In KETRACO's understanding, what is the difference between a JV and a Consortium?  B) Which of these differences are important for KETRACO's decision not to accept the offer of a consortium?  C) Does KETRACO expect that the members offering jointly create a JV as new, separate legal entity?	The JV requirement includes consortium option. For clarity, where a JV is referenced in the document, it is to be understood to include consortium option.

		D) Would KETRACO accept that each partner invoices directly to the KETRACO?"
