

Our Ref: KETRACO-PT-019-2024

15th May, 2024

Notice to all Bidders,

TENDER ADDENDUM/CLARIFICATION 1

RE: TENDER FOR SUPPLY, DEPLOYMENT AND CONFIGURATION OF A WIRELESS NETWORK UPGRADE AND INTEGRATION OF NETWORK ACCESS CONTROL PLATFORM.

The following amendments are made to the Tender for Supply, Deployment and Configuration of a wireless Network Upgrade and Integration of Network Access Control Platform. (Tender Number KETRACO-PT-019-2024).

Save where expressly amended by the terms of this addendum, the Principle Tender Document shall continue to be in full force and effect.

No.	Clause	Query	Ketraco Response
1.		Requested switches and access points to be supplied are Fortinet while integration is with HP clearpass NAC solution. Kindly clarify on how his will be achieved considering we have no visibility of Clearpass NAC (OEM cover or under another vendor SLA).	The Tender is for a turnkey solution. So, the bidders are expected to have engineers who can deliver the configuration and integration given currently the integration is currently done on a Cisco environment. The HPE ClearPass NAC will have vendor support.
2.		Will we be the ones to decommission the old switches and APs?	YES
3.		Where is the installation location(s) of the switches, SFPs, APS and power injectors?	KETRACO HQ Office.
4.	Tender Closing Date	Closing date was 22 nd May 2024 as at 10:30 am	Extended to Friday 24th May 2024 as at 10: 00 am
5.	Site Visit	Site Visit Date was 13 th May 2024 at 11:00 am	Another Site Visit has been scheduled for 17th May 2024 as at 11:00 am
